

After registering for the service, Zipcar will send you a “zip card” which will allow you to access vehicles worldwide. Users make their reservations online and simply unlock your vehicle with your zipcard or smart phone when it is time to pick up your vehicle. To find a Zipcar near you, visit <http://www.zipcar.com/batonrouge>

Similar to Uber, Lyft is a mobile car sharing application that allows users to access transportation through their smart phones 24 hours a day, 7 days a week. Users can register either through Lyft’s main website or through their smart phones. For more information, visit <https://www.lyft.com/cities/baton-rouge-la>

Like Lyft, Uber is a car sharing service that allows users to access transportation 24 hours a day, 7 days a week. Individuals are able to sign up online and upon registration users gain access to immediate and reliable transportation with a tap of a phone. Drivers automatically know where to go and payment is completely automated. Visit <https://www.uber.com/cities/baton-rouge/>
